RE: Message from the Executive Director

Dear Members of the Authority:

Change of Meeting Dates

Going forward, the Authority will be changing its regularly scheduled meetings to the ***second Thursday*** of each month from the second Tuesday of each month at a meeting room to be determined in the State of Illinois Michael A. Bilandic Building, 160 North LaSalle Street, Chicago. So, please plan for our June meeting to be scheduled on June 11, 2015.

May Agenda

We are pleased to welcome the Chicago Shakespeare Theater, Loyola Academy, and several beginning farmers this month.

Since our April meeting, the Authority has closed transactions for the issuance of Education Revenue Bonds (Illinois Charter Schools Project – Noble Network of Charter Schools), Series 2015, Commercial Paper Revenue Notes (Pooled Financing Program) for The Lincoln Park Zoological Society, and Student Housing Revenue Bonds (CHF-Cook, L.L.C. - Northeastern Illinois University Project), Series 2015A and Series 2015B. Additionally, the Authority issued Revenue Refunding Bonds (Silver Cross Hospital and Medical Centers), Series 2015C in the amount of approximately \$286 million to refund the Silver Cross Series 2009 Bonds, which were used to build a new acute care replacement hospital in New Lenox, Illinois.

I look forward to continuing to work with you in support of jobs and financing capital expansion projects throughout our great state.

Respectfully,

Christopher B. Meister
Executive Director

II. Chairman's Remarks

Vice Chairperson Goetz welcomed Members of the Committee, Authority staff and all guests present. Vice Chairperson Goetz also introduced Rob Funderburg as the next Chairperson of the Authority. Vice Chairperson Goetz reminded Members of the Committee that the Illinois Senate has not yet acted upon Rob Funderburg's appointment.

III. Message from the Executive Director

Executive Director Meister welcomed Rob Funderburg as the next Chairperson of the Authority. Chairperson Funderburg will be the third Chair of the Authority since its January 2004 creation. Executive Director Meister thanked Governor Rauner for appointing Chairperson Funderburg because he can share his knowledge of banking, community involvement and agriculture with the Authority.

Executive Director Meister announced that Emily Bastedo, Associate Counsel for the Office of Governor Rauner was present at the meeting. Mrs. Bastedo and Edward Murphy, Research Director for the Office of Governor Rauner, worked diligently on the mechanics of appointing Rob Funderburg the day prior which was a recess day of the Illinois Senate. Executive Director Meister expressed his belief that proper paperwork has been filed.

Executive Director Meister thanked Rob Funderburg and all Members of the Committee for their volunteer public service.

IV. Consideration of the Minutes

Vice Chairperson Goetz asked if the Members wished to direct the Assistant Secretary of the Board to correct any errors in the Minutes of the regular meeting of the Committee held on March 10, 2015.

Executive Director Meister recommended that consideration of the Minutes be postponed until the arrival of Members Pedersen and Gold.

The Members of the Committee agreed.

V. Presentation and Consideration of the Financial Statements

Ms. Gildart presented the following monthly and annual summary as of March 31, 2015:

1. GENERAL OPERATING FUND REVENUES, EXPENSES AND NET INCOME

- a. **Annual Operating Revenues** to date totaled \$2.9 million, while annual Net Non-Operating Revenues totaled \$159 thousand. Total annual combined revenues of \$3.1 million are \$234 thousand or 7% below budget; due primarily to lower than expected closing and miscellaneous fees. Closing fees year to date of \$1.7 million, are \$190 thousand or 10% below budget. Included in Interest Income on Loans, the year to date revenue accrued for interest due from the former IRBB local governments totaled \$848 thousand which is in line with the Fiscal Year ("FY") 2015 budget for the local government loans. Annual fees of \$282 thousand are 12% or \$29 thousand higher than budget. Administrative service fees (non-closing fees, typically TEFRA and amendment fees) are also 16% higher than budgeted, totaling \$100 thousand for the year. Annual net investment income of \$149 thousand is more than double the

fiscal year 2014's ending total as of March which is in line with the FY 2015 budget for investment revenue.

- b. **In March**, the Authority generated \$184 thousand in closing fees, which is close to the average monthly total of \$186 thousand. This is below the average monthly budgeted amount for closing fees of \$207,250. Closing fees were received from: *University of Chicago Hospital*, \$74 thousand, *Lifespace*, \$95 thousand, and *Agriculture-related* closings (beginning farmer bonds) of just under \$16 thousand. Administrative service fees of \$25 thousand were booked for *Swedish American Hospital*. March's net investment revenue of \$34 thousand is double the average monthly amount of \$17 thousand.
- c. **Annual Operating Expenses** of \$2.6 million are \$695 thousand or 21% lower than budget, mostly driven by lower employee-related expenses and professional service costs. Year to date, employee expenses total \$1.3 million and are 19% below budget and professional services total \$800 thousand and are 29% below budget. Annual occupancy costs total \$151 thousand and are \$68 thousand or 31% under budget (including the cost of the move). General and administrative costs are \$286 thousand for the year, which is 14% over budget (costs spiking due to deferred back-end costs). Other contributors to lower overall year to date operating costs include the delay in the implementation of the compliance driven debt management software application and reduced staff costs.
- d. **In March**, total professional services of \$83 thousand included payments for legal services (\$13K) compliance and accounting assistance (\$22K), financial advisory fees (\$14K), IT data storage and records management fees (\$11K) and payroll services (\$5K). Salaries are flat from February at \$133 thousand, which is down from \$158 thousand in July 2014, with the departure of three full time employees and two Finance/Legal Fellows in recent months. General and administrative costs of \$41 thousand included charges for records storage and Bond Buyer and Bloomberg subscription services (noted above in Annual Operating Expenses as "deferred back-end costs").
- e. **March** activities resulted in monthly Net Income of \$119 thousand. **On a year to date** basis, IFA currently shows Annual Net Income of \$782 thousand. Major contributors to the positive bottom line include the level of overall spending at 21% below budget, the transfer of the remaining IRBB reserve funds earlier this fiscal year and greater than expected investment returns. Budgeted net income at this point in the fiscal year is just \$28 thousand.

¹**Operating Revenues and Expenses** are direct results of our basic business operations. **Non-Operating Revenues and Expenses** are netted against each other and include interest and investment income and expenses, bad debt adjustments, transfers to the State of Illinois and realized/unrealized gains and losses on investments. **Net Income/(Loss)** is our bottom line.

2. ALL FUNDS-ASSETS, LIABILITIES AND NET POSITION

- a. The Authority, as of March 2015, is a \$127 million dollar agency which also accounts for \$300 million in total activity (including the debt of other State of Illinois agencies) and maintains compliance for nearly \$24 billion in outstanding, mainly conduit (not the obligation of either the State or the Authority), debt.

3. GENERAL OPERATING FUND-ASSETS, LIABILITIES AND NET POSITION

- a. In the General Fund, the Authority continues to maintain a strong balance sheet with total net position of \$52.7 million (the main Authority balance sheet outside of program funds and the State Component Parts). The total assets in the General Fund are \$53.2 million (consisting mostly of cash, investments, and receivables). Unrestricted cash and investments total \$29.2 million, notes receivables for the former IRBB local governments total \$20.5 million, other loans receivables are at \$2 million and restricted cash in the DACA Loan Fund totals \$1.3 million. Liabilities, current and non-current, total just \$518 thousand.

4. YEAR TO DATE ACTIVITY FOR ALL OTHER FUNDS

- a. The “Other State of Illinois Debt Fund” (or combined State Component Parts) is comprised of activity related to bonds issued by the Authority on behalf of the Illinois Environmental Protection Agency Clean Water Initiative (State Revolving Fund) (IEPA-SRF 2013), the Illinois Medical District Commission (IMDC 2006) and Northern Illinois University Foundation (NIUF 2006 and 2013). The majority of the activity in this fund is related to IEPA-SRF 2013.
- b. Unique among the State Component Part bond issues, for which the Authority reports only financial transactions, and does not hold funds, the Authority is currently the custodian of \$42 million in connection with IEPA-SRF 2013. At the request of IEPA, the Authority made various transfers, totaling \$140 million (comprised of bond proceeds, repayments of pledged loans and federal cap grants accessed by the bond proceeds), between October 2014 and March 2015, to the State Treasurer. These transferred funds may be reinvested by the Authority in the future on behalf of IEPA.
- c. Authority staff anticipates working with the Board to update the investment policy in order to increase return for 2013 IEPA-SRF funds with appropriate safety and transparency.
- d. In April 2015, the Authority received partial approval from Governor’s Office of Management & Budget through the Office of the State Fire Marshal (OSFM) to move forward with making loans, based on applications originated and approved by the OSFM, from some of the Authority’s locally held Fire Truck Revolving Loan Funds per Public Act 97-901. The extent of this partial approval remains to be determined. The Authority’s locally-held Fire Truck and Ambulance Revolving Loan Funds have total year to date receipts of \$329 thousand (principal only loan repayments). Net investment income from both funds equals \$61 thousand. Monies have been invested since July 2014. The net position of \$30 million for Fire Truck and \$4.2 million for Ambulance is now on the Authority’s balance sheet due to Public Act 97-901. The

Fire Truck Revolving Loan Program was the subject of findings in recent audits as well as the subject of extended discussion during the Authority's March 2015 House Appropriation Hearing. During the coming weeks of the current General Assembly, there may be action to re-direct these funds as part of a larger effort to mitigate the State's financial crisis.

- e. Other Nonmajor Funds booked revenues of \$188 thousand, of which, \$158 thousand is derived from investment activity. Year to date, the nonmajor funds show a net loss of \$117 thousand, driven by the one-time transfer of funds out of the IRBB Reserve Fund (pursuant to the August 2014 redemption and defeasance of the IRBB program) to the General Operating Fund. All other activities for Nonmajor Funds result in positive net income of \$177 thousand as of March. Total Net Position in the Nonmajor Funds is \$39.5 million.
- f. The Agency/Fiduciary Funds for IFA include both the Metro East Police District Commission and the Illinois Finance Authority NFP Development Fund (established in 2013 in connection with the Authority's application for New Markets Tax Credits from the federal government), with combined current assets of \$60 thousand.

5. FY14 AND FY15 COMPLIANCE AUDITS and LEGISLATIVE AUDIT COMMISSION

- a. The entrance conference for the FY14 and FY15 compliance audits was held March 16, 2015.
- b. The Authority's Legislative Audit Commission (LAC) hearing on the Authority's FY 2013 Compliance Examination and Financial Audit was held March 24, 2015. The LAC unanimously voted to accept the Authority's FY 2013 Audits.
- c. Fieldwork for the FY14 and FY15 compliance audits began March 25, 2015.

Vice Chairperson Goetz requested clarification that the Illinois Finance Authority NFP Development Fund was the Authority's non-profit Community Development Entity. Ms. Gildart confirmed that the non-profit was established in 2013 in connection with the Authority's application for New Markets Tax Credits from the federal government.

Executive Director Meister informed the Committee that Baker Tilly Virchow Krause, LLP submitted an unsuccessful application on behalf of the Authority last year and a second application is now pending this year. They have advised that sometime between May and July 2015 the Authority should have a response to its pending application for New Markets Tax Credits.

VI. Monthly Procurement Report

Executive Director Meister recommended that discussion of the Monthly Procurement Report be undertaken as part of the Audit Committee report.

However, Executive Director Meister took the opportunity to inform the Committee that while Ms. Lenane has ceased to serve as Acting General Counsel, she remains the Authority's Ethics Officer.

Accordingly, Ms. Money on behalf of Ms. Lenane is collecting Members' Secretary of State ethics disclosure filings (due May 1st) and Executive Ethics Commission ethics disclosure filings (due May 1st).

Mrs. Bastedo summarized the required filings and answered questions from the Committee.

Ms. Lenane informed the Committee that Members must also complete their ethics training as required by the Executive Ethics Commission by the end of the fiscal year. The Acknowledgement of Participation Members receive upon completion should be sent to Ms. Money.

IV. Consideration of the Minutes (Continued...)

Member Pedersen moved for the adoption of the Minutes of the regular meeting of the Committee held on March 10, 2015.

Member Poole seconded the motion.

The motion prevailed and the Minutes were adopted.

VII. Committee Reports

Audit Committee

Member Bronner reported that the Audit Committee met and made recommendations earlier on April 14, 2015.

First, Member Bronner reiterated Ms. Gildart's remarks that the entrance conference for the FY14 and FY15 compliance audits was held March 16, 2015. On March 25, 2015, fieldwork for the FY14 and FY15 compliance audits began. Moreover, the Authority's LAC hearing on the Authority's FY 2013 Compliance Examination and Financial Audit was held March 24, 2015. The LAC unanimously voted to accept the Authority's FY 2013 Audits.

Then, Member Bronner reported that the Audit Committee discussed the status of various audits, in addition to discussing in closed session resources to address existing and potential findings. As a result, the Audit Committee recommends approval of Item 4, Resolution Adopting the Procurement Report. The Resolution authorizes Executive Director Meister to proceed with various ongoing procurements.

Executive Director Meister informed the Committee that he alone is presenting Item 4, Resolution Adopting the Procurement Report. Ms. Gildart is not. Also, Executive Director Meister informed the Committee that the last "Whereas clause" from the Resolution has been stricken. As procurements progress and can be publically announced and awarded, Procurements A-U will return to the Board for final consideration.

Executive Director Meister informed the Committee that he anticipates having another meeting of the Audit Committee before the May 14, 2015 regular meeting of the Board.

Executive Director Meister reminded Members of the Committee that these outstanding compliance items are a result of a State-mandated regulatory structure, i.e. Form C-08 for the Office of the Illinois Comptroller. These outstanding compliance items in no way effect the tax-exempt status of the respective bond issues and furthermore are not a reflection of payment defaults.

Executive Director Meister cited the difficulty in resolving previous audit findings in connection with these outstanding compliance items.

Annual net investment income of \$153 thousand is more than double the fiscal year 2014's ending total as of April.
- b. In **April**, the Authority generated \$212 thousand in closing fees, which exceeds the average monthly total of \$186 thousand. Closing fees were received from: *Silver Cross Hospital*, \$145 thousand, *Noble Network Charter Schools*, \$70 thousand, and *Agriculture-related closings* of \$7 thousand. Administrative service fees of \$21 thousand were collectively booked for *Lincoln Park Zoological Society* and *Council for Jewish Elderly*. April's net investment revenue totaled \$4 thousand.
- c. **Annual Operating Expenses** of \$3 million are \$684 thousand or 19% lower than budget, mostly driven by lower employee-related expenses and professional service costs. Year to date, employee expenses total \$1.4 million, professional services total \$1 million and each function is 20% below budget. Annual occupancy costs total \$160 thousand and are \$83 thousand or 34% under budget. General and administrative costs are \$314 thousand for the year, which is 13% over budget. Other contributors to lower overall year to date operating costs include the delay in the implementation of the compliance driven debt management software application and reduced staff costs.
- d. In **April**, total professional services of \$203 thousand included payments for legal services (\$43K), legislative services fees (\$15K) and an accrual for potential rating agency fees (\$113K). Salaries and benefits are down to \$131K, with the reduction of full and part-time employees. General and administrative costs of \$28 thousand include expenses for various insurance policies.
- e. **April** activities resulted in a monthly Net Loss of -\$23 thousand. On a year to date basis, the Authority currently shows Annual Net Income of \$760 thousand. Major contributors to the positive bottom line include the level of overall spending at 19% below budget and the transfer of the remaining IRBB reserve funds earlier this fiscal year of nearly \$300K. Budgeted net income at this point in the fiscal year is just \$31 thousand.

2. ALL FUNDS-ASSETS, LIABILITIES AND NET POSITION

The Authority, as of April 2015, is a \$119 million dollar agency which also currently accounts for nearly \$300 million in total activity (including the Other State of Illinois Debt Fund) and maintains compliance for nearly \$24 billion in outstanding debt.

V. PRESENTATION AND CONSIDERATION OF THE FINANCIAL STATEMENTS MONTHLY AND ANNUAL SUMMARY AS OF APRIL 30, 2015 (CONT'D)

3. GENERAL OPERATING FUND-ASSETS, LIABILITIES AND NET POSITION

In the General Fund, IFA continues to maintain a strong balance sheet with total net position of \$52.7 million. The total assets in the General Fund are \$53.2 million (consisting mostly of cash, investments, and receivables). Unrestricted cash and investments total \$29.2 million, notes receivables for the former IRBB local governments total \$20.5 million, other loans receivables are at \$2 million and restricted cash in the DACA Loan Fund totals \$1.3 million. Liabilities, current and non-current, total just \$605 thousand.

4. YEAR TO DATE ACTIVITY FOR ALL OTHER FUNDS

- a. In accordance with governmental accounting standards, the "Other State of Illinois Debt Fund" is comprised of bond activity for the Illinois Environmental Protection Agency (IEPA), the Illinois Medical District Commission (IMDC) and Northern Illinois University Foundation (NIUF). The majority of the activity in this fund derives from the Clean Water Initiative for IEPA. At the request of IEPA, since July 2014, funds consisting of bond proceeds, loan repayments and match funds totaling \$257 million were transferred back to the custody of the State Treasurer. These funds may be reinvested by the Authority in the future. Authority staff anticipates working with the Board to update the investment policy, in order to increase all investment returns (in accordance with State of Illinois investments regulations).
- b. The Locally Held Fire Truck and Ambulance Revolving Loan Funds have total year to date receipts of \$362 thousand. Net investment income from both funds equals \$63 thousand. Monies have been invested since July 2014. In April 2015, the Authority returned \$8 million to the Office of the State Fire Marshal (OSFM) that was to be used for new loans per Public Act 97-901. Due to the State's fiscal crisis, these funds were returned at the formal request of OSFM and the Governor's Office of Management and Budget (GOMB). Net position of \$22 million for Fire Truck and \$4.2 million for Ambulance, are now shown on the Authority's books due to recent statutory changes.
- c. Other Nonmajor Funds booked revenues of \$200 thousand, of which, \$166 thousand is derived from investment activity. Year to date, the nonmajor funds show a net loss of \$108 thousand, driven by the transfer of funds out of the IRBB Reserve Fund to the General Operating Fund. All other activities result in positive net income of \$186 thousand as of April. Total Net Position in the Nonmajor Funds is \$39.5 million.
- d. The Agency/Fiduciary Funds for IFA include both the Metro East Police District Commission and the Illinois Finance Authority NFP Development Fund, with combined current assets of \$60 thousand.

5. FY14 AND FY15 COMPLIANCE AUDITS and GASB UPDATES

- a. Fieldwork for the FY14 and FY15 compliance audits is ongoing.
- b. Upcoming Governmental Accounting Standards Board (GASB) changes to Authority financial reporting, affect fair value measurements and application for investments, leases and fiduciary activities, with some changes taking effect July 1, 2015. The Authority will continue to monitor these developments to ensure proper implementation of these new standards to Authority financial reporting, as applicable.

Credit Review Committee recommends approval	No extraordinary conditions

VOTING RECORD

Not applicable. This is the first time this financing is being presented.

PURPOSE

Bond proceeds will be loaned to **Chicago Shakespeare Theater**, an Illinois not for profit corporation (the “**Borrower**”), for the purpose of providing the Borrower with all or a portion of the funds in connection with the development, design, site renovation, construction and equipping of a third theater on Navy Pier in conjunction with Navy Pier, Inc. (collectively, the “**Project**”) and to refund the Authority’s \$4,100,000 Revenue Bonds (Chicago Shakespeare Theater Project) Series 2011 (the “**Series 2011 Bonds**”).

IFA PROGRAM AND CONTRIBUTION

501(c)(3) Bonds are a form of municipal bond financing that 501(c)(3) corporations can use to finance capital projects that will be used to further their charitable mission. IFA’s issuance will convey federal income tax-exempt status on interest earned on the Bonds paid to bondholders, thereby reducing the Borrower’s interest expense.

VOLUME CAP

501(c)(3) Bonds do not require Volume Cap.

ESTIMATED SOURCES AND USES OF FUNDS (SUBJECT TO CHANGE)

Sources:	IFA Bonds	\$15,400,000	Uses:	Construction/Equipment*	\$15,400,000
	*(Note: Navy Pier, Inc. – see below)			(excludes exterior shell financed by Navy Pier, Inc.)	
	Pledge Campaign	3,659,980		Refund Series 2011 Bonds	4,100,000
	Equity	645,000		Cost of Issuance	<u>204,980</u>
	Total	<u>\$19,704,980</u>		Total	<u>\$19,704,980</u>

*Separately, Navy Pier, Inc. has made arrangement to finance and construct the exterior shell of the new theater facility financed with proceeds of IFA’s Draw Down Revenue Bonds, Series 2014B (Navy Pier, Inc. Project) that were purchased directly by Fifth Third Bank in a bond issue that closed on December 16, 2014. Chicago Shakespeare Theater will be solely responsible for financing the interior build-out (leasehold improvements) and for equipping the new theater facility that will be financed with IFA Series 2015 Bond proceeds, as proposed.

Approximately \$15.0 million of Navy Pier, Inc.’s IFA Series 2014B bond proceeds are to be allocated to construction of the theatre shell. Accordingly, total combined all-in investment by Chicago Shakespeare Theatre and Navy Pier, Inc. in the construction and build-out of the new theater facility will total approximately \$30.4 million.

FINANCING SUMMARY

Structure/ Credit Enhancement:	The IFA Bond will not be rated or credit-enhanced. The Bond will be privately placed by William Blair & Company, L.L.C. (the “ Placement Agent ”) and is expected to be purchased directly by a commercial bank. The Borrower is a non-rated entity.
Interest Rate:	Respective initial interest rates will reflect prevailing market conditions prior to closing, estimated at 3.00% to 4.00% (as of 4/30/2015).
Credit Rating:	Ultimately, the Bond is expected to be purchased directly by a commercial bank and purchased without either a rating or credit enhancement. Again, Chicago Shakespeare Theater is a non-rated entity.
Maturity:	Not to exceed 10 years
Underlying Lease:	CST will enter into a 90-year lease (consisting of a 15-year initial lease term with five consecutive 15-year extension provisions) with Navy Pier, Inc. The site for the new theater will be the existing Skyline Stage site. Navy Pier, Inc. will be renovating the space that currently occupies the Skyline Stage site into the new theater shell. Chicago Shakespeare Theater will then lease the new theater shell, financing the build-out of the new theater with proceeds of the proposed IFA Series 2015 Revenue Bonds (Chicago Shakespeare Theatre Project).
Estimated Closing Date:	July 2015
Rationale:	<p>As typical of cultural institutions, Chicago Shakespeare Theater’s (“CST’s”) operating revenues rely upon grants, contributions and other external support to supplement ticket sales and revenues generated from performances. The availability of tax-exempt bond financing will reduce CST’s borrowing costs while providing additional pricing flexibility to prospective commercial lenders. This financing will enable CST to expand its existing operations at the lowest possible interest expense and will help assure that CST will continue to attain its mission to bring Shakespeare to the people of Chicago and to visitors.</p> <p>The proposed financing project aims to expand CST’s presence and capabilities by constructing a third theater stage at Navy Pier. The development of this new venue will expand CST’s footprint to provide a three-theater complex. The design of the new theater is intended to allow seating for between 250 and 900 theater patrons, and will provide CST additional flexibility in providing for various staging and audience formats.</p> <p>The IFA Series 2015 Bond will also enable CST to refund its Series 2011 Bonds while smoothing its future scheduled principal payments.</p>

PROJECT SUMMARY (FOR PRELIMINARY BOND RESOLUTION)

Bond proceeds will be loaned to **Chicago Shakespeare Theater**, an Illinois not for profit corporation (the “**Borrower**”), for the purpose of providing the Borrower with all or a portion of the funds in connection with the development, design, site renovation, construction and equipping of a third theater on Navy Pier in conjunction with Navy Pier, Inc. (collectively, the “**Project**”) and to refund Illinois Finance Authority \$4,100,000 Revenue Bonds (Chicago Shakespeare Theater Project) Series 2011 (the “**Series 2011 Bonds**”).

Estimated project costs to be financed with IFA Series 2015 Bond proceeds and funds from Navy Pier, Inc. (“**NPI**”) consist of the following:

Core and Shell (<i>includes \$15MM from NPI</i>)	\$16,400,000
Theater Equipment	6,365,000
Theater Towers	3,500,000
Architectural/Engineering	<u>4,135,000</u>
Total New Project Costs	<u>\$30,400,000</u>

Less: Navy Pier, Inc. contribution (a portion of which was funded with IFA Drawn Down Revenue Bonds, Series Series 2014B (Navy Pier, Inc. Project) (15,000,000)

**Net Construction Costs funded by CST
(with IFA Series 2015 Bond):** **\$15,400,000**

BUSINESS SUMMARY

Description: **Chicago Shakespeare Theater** (“**CST**” or the “**Borrower**”) is incorporated under State of Illinois law and was founded in 1986. The Borrower is a 501(c)(3) not-for-profit corporation exempt from federal income taxes under the Internal Revenue Code.

CST is governed by a 59-member Board of Directors (see Economic Disclosure Statement on pp. 6-8).

Background: The Borrower was founded in 1986 as the Chicago Shakespeare Workshop, a name which was changed in 1987 to the Chicago Shakespeare Repertory and, finally, in 1999 to Chicago Shakespeare Theater.

CST performed its first twelve seasons in residency at the Ruth Page Theater in the Gold Coast neighborhood on the north side of Chicago. While CST was critically lauded for its innovative approach to classic Shakespearean works, it was limited by the age and space constraints of the Ruth Page Theater and began looking for new performance space in the late 1990s. In 1997, CST announced its plan to move to a new facility at Navy Pier. CST successfully ran a large-scale capital campaign to finance the facility. Since moving to Navy Pier in 1999, CST has grown from the third-largest theater company in Chicago to the third-largest in the Midwest. CST produces and presents a year-round schedule of performances featuring Shakespeare's canon and family-oriented productions, musicals, world premieres, and visiting international tours.

Over the past 25 years, CST has built a civic, national, and international reputation as a premiere cultural institution. Today, CST's year-round producing and presenting season features performances in two intimate theater spaces on Navy Pier. According to Navy Pier, Inc.'s website, Navy Pier is the Midwest's most visited destination. According to CST management, CST reaches as many as 225,000 audience members every year.

CST's current facilities at Navy Pier consist of two theater spaces that may be configured to accommodate a variety of staging needs and concepts:

1. *The Jentes Family Courtyard Theater* is a 500-seat courtyard-style theater inspired by the theaters in early modern England where Shakespeare's plays were first staged (and evoking the design elements of Shakespeare's Globe in London and the Royal Shakespeare Company's Swan Theater in Stratford-upon-Avon). This theater space features three seating levels that wrap around the thrust stage, creating an intimate, immediate relationship between actors and audience.
2. *The Carl and Marilyn Thoma Theater Upstairs* is a 200-seat theater in which both the stage and seating configuration can be arranged in a variety of ways, suiting the creative choices of the artistic team with almost limitless versatility.

The development, design, financing, site lease, site renovation, construction, equipping and furnishing of a third theater on Chicago's Navy Pier by CST, in conjunction with **Navy Pier, Inc.** ("NPI"), is central to CST's mission and experience because it will allow CST to (i) expand its role as a leading American cultural institution producing world-class theater, (ii) engage the next generation through live performance, and (iii) introduce the leading theater producers and performers of the world to Chicago. The new theater will expand CST's artistic platform and increase the profile and prospective economic impact on Navy Pier.

CST Lease with
Navy Pier:

CST will enter into a 90-year lease with NPI for the existing Skyline Stage facility that will be renovated as part of this Project. (The lease terms will be composed of an initial 15-year lease term, with up to five consecutive 15-year extension provisions.)

CST Comments
on existing Skyline
Stage facility:

The existing Skyline Stage comprises a single seating rake, facing a stagehouse. The venue is currently used throughout the summer months for circus and spectacle events, but is dormant for the rest of the year as the weather conditions are too extreme. According to CST, the concept of the new CST project is simple: to build a new, highly-flexible space for providing theater at the underutilized Skyline Stage facility. In its current form, open to the elements and with a sprawling single rake, Skyline Stage is not suitable for year-round events, nor is it suitable for drama and spoken-word performances in which the proximity of the actors is important.

CST

Improvements: For this project, CST will be responsible for acquiring and installing the theater equipment, including movable seating towers which will allow alternative seating and capacity configurations of the new theater space.

Background on
Series 2011
Bonds:

The Illinois Development Finance Authority ("IDFA"), predecessor to IFA, issued its Adjustable Demand Revenue Bonds (Chicago Shakespeare Theater Project), Series 1999 to (i) finance costs of design, construction and equipping of an approximately 75,000 square foot, seven-story theater located on Navy Pier at 800 East Grand Avenue in Chicago, Illinois on property leased from the Metropolitan Pier and Exposition Authority and (ii) pay certain bond issuance costs. (The IDFA Series 1999 Bonds were secured by a Direct Pay Letter of Credit from Bank of America, N.A., as successor to LaSalle National Bank/ABN-AMRO.)

In 2011, at the request of the Chicago Shakespeare Theater, IFA authorized executed of an Amended and Restated Indenture (including a revised form of Bond contained therein) and related documents to enable creation of a new bank purchase mode for the Bonds. Wells Fargo Bank, N.A. purchased the Bonds (renamed IFA Series 2011 Revenue Bonds) in whole under the new bank purchase mode in September 2011, succeeding Bank of America, N.A. as CST's relationship bank.

In August 2014, Chicago Shakespeare Theater received IFA Board approval of a Resolution to authorize execution and delivery of a Supplemental Indenture to enable the initial interest rate period with Wells Fargo Bank, N.A. to be extended by two years (until September 1, 2016). As a result of the proposed refunding, CST expects to refinance the outstanding balance of the IFA Series 2011 Bonds for a new interest rate and term.

All payments relating to the Illinois Finance Authority Revenue Bonds (Chicago Shakespeare Theater Project), Series 2011 are current and have been paid as scheduled. As of 4/30/2015, the IFA Series 2011 Bonds were outstanding in the principal amount of \$4,100,000.

To: IFA Board of Directors

From: Rich Frampton & Brad R. Fletcher

Date: May 14, 2015

Re: Resolution Providing for the Issuance of Not To Exceed \$22,000,000 Principal Amount Illinois Finance Authority Revenue Refunding Bond, Series 2015 (Loyola Academy Project); Authorizing the Execution and Delivery of a Bond and Loan Agreement, a Tax Exemption Certificate and Agreement and Related Documents; and Approving Related Matters.
IFA Series 2007 File Number: E-PS-TE-CD-7093
IFA Series 2015 File Number: N-NP-TE-CD-8736

Request:

Loyola Academy, an Illinois not for profit corporation (the “**Corporation**” or “**Borrower**”), and **Wintrust Bank**, a wholly-owned subsidiary of Wintrust Financial Corporation (the “**Bank**” or “**Bond Purchaser**”), are requesting approval of a Resolution to (i) authorize execution and delivery of a Bond and Loan Agreement, a Tax Exemption Certificate and Agreement and related documents and (ii) approve related matters to effectuate the refinancing of the outstanding Illinois Finance Authority (“**IFA**”) Adjustable Rate Demand Revenue Bonds, Series 2007 (Loyola Academy) (the “**Series 2007 Bonds**”) by issuing a Revenue Refunding Bond (Loyola Academy), Series 2015 (the “**Series 2015 Bond**”).

The Series 2007 Bonds are currently secured by a Direct Pay Letter of Credit from JP Morgan Chase Bank, N.A. Wintrust Bank will purchase the Series 2015 Bond in an aggregate principal amount not to exceed \$22,000,000 and loan the proceeds thereof to the Borrower to (i) currently refund in whole the Series 2007 Bonds and (ii) pay costs of issuance of the Series 2015 Bond. The Series 2015 Bond will be held as an investment by Wintrust.

The original par amount of the Series 2007 Bonds was approximately \$21,500,000. The outstanding par amount of the Series 2007 Bonds was approximately \$21,500,000 as of April 30, 2015.

This transaction will be considered a refunding for tax law purposes. Nevertheless, bond counsel has determined that a new public hearing on the project (i.e., a “TEFRA Hearing” as defined under the Internal Revenue Code of 1986, as amended) will not be necessary. IFA’s estimated administrative fee will be \$35,500.

Background:

The proceeds of the Series 2007 Bonds, together with other available funds, were used by the Corporation to loan to provide funds to finance, refinance or reimburse the Corporation for costs of improvements to facilities owned by the Corporation (or improvements to real estate owned by Loyola Recreational Facility Corp., an Illinois not-for-profit corporation) including (i) the renovation, restoration and equipping of improvements to the Corporation's academic facilities, (ii) improvements to the athletic facilities located on the Corporation's Wilmette and Glenview campuses, (iii) construction of a new swimming pool at the Wilmette campus, (iv) acquisition of real estate near the Wilmette campus to provide a parking area and other corporate and educational purposes of the Corporation, (v) the refunding and advance refunding of the Corporation’s Illinois Development Finance Authority (“IDFA”) Series 1993A and Series 1993B Bonds, respectively, (vi) paying credit enhancement costs, and (vii) paying bond issuance costs.

All scheduled debt service payments on the IFA Series 2007 Bonds (and the prior IDFA Series 2003 Bonds) and have been paid as scheduled with no late payments or payment delinquencies.

WHEREAS, the Bonds and the obligation to pay principal, premium, if any, and interest thereon are special, limited obligations of the Authority, payable solely out of the revenues and income derived from the Bond and Loan Agreement; the Bonds and the obligation to pay interest thereon shall not be deemed to constitute an indebtedness, a general or moral obligation, or a pledge of the full faith and credit of the Authority, the State of Illinois or any political subdivision thereof within the purview of any constitutional limitation or statutory provision or a charge against the general credit or taxing powers, if any, of any of them; and neither the Purchaser nor any future owner of the Bonds shall have the right to compel any exercise of the taxing power, if any, of the Authority, the State of Illinois or any political subdivision thereof to pay any principal or purchase price of, premium, if any, or interest on the Bonds; and

Re: Resolution Approving the Terms of Information Technology Contracts-Debt Management Software Application, IPB#22034654

Under the guidance of the Chief Procurement Officer-General Services, and the Illinois Procurement Code, the Illinois Finance Authority (the “Authority”), published a Request for Proposal (“RFP”) for a comprehensive Debt Management Software Application on October 6, 2014. The RFP was published on the Authority’s website and on the Illinois Procurement Bulletin (IPB). A vendor pre-bid conference was held on October 9, 2014 and responses were due on October 22, 2014. This solicitation, IPB #22034654, was a reissue of a previous RFP originally advertised on August 29, 2014, in which all respondents were deemed non-responsive (did not meet required RFP criteria) per the Authority’s administrative review.

The goal of the RFP included: procurement of a real-time Debt Management Software Application that will enable the Authority to standardize its data entry, accounting, reporting and compliance practices in one consolidated system. The comprehensive package will provide real-time access to all bond, note, loan and other debt information from all past and present debt issuances including: debt service schedules (broken down to the CUSIP level and specific fund), call structures and redemptions, and other related information such as financing participants, ratings history, etc. The ability to support multiple con-current users and stakeholders across the organization was required, along with automatic generation of debt service schedules, interest accruals, amortization of premiums, discounts, and costs of issuance, Comprehensive Annual Financial Report (CAFR) reporting and the automatic creation of debt-related journal entries. In addition, the RFP contained a mandatory 10% Business Enterprise Program (BEP) goal.

The Authority received responses from the following Offerors:

1. Technology Partners Group, Inc.
2. Non-Responsive Offeror

The evaluation committee consisted of Robert Litchfield, IT Manager, Ximena Granda, Controller and Brad Fletcher, Assistant Board Secretary/Financial Analyst. The State Purchasing Officer overseeing the procurement process was Denise Hudson. The responses were evaluated based on Functional and Non-Functional requirements, Experience and References, Organizational and Financial Stability and System Demonstration and Oral Presentations. As a result of the committee’s evaluation of technical and non-technical components, the Authority moved forward with a system demonstration and oral presentation to be held on November 14, 2014. Per the final evaluation scores, the committee concluded that the software presented, would meet the needs of the Authority.

Therefore, it is the recommendation of the Authority, to award a contract for a Debt Management Software Application and related services to Technology Partnership Group, Inc., for an initial term from of three years, with the option of exercising up to two, (1) year renewals.

ACTIONS**

WHEREAS, the Illinois Finance Authority (the “Authority”) has been created by, and exists under, the Illinois Finance Authority Act (20 ILCS 3501/801-1 *et seq.*) (the “Illinois Finance Authority Act”)

WHEREAS, on July 15, 2013, by Public Act 098-0090 (the “Act”), the Illinois State General Assembly amended the Illinois Procurement Code (30 ILCS 500/1-1 *et seq.*) (the “Code”) by excluding certain contracts to be entered into by the Authority from the Code; and

WHEREAS, pursuant to Section 15 of the Act, contracts for legal, financial, and other professional and artistic services entered into on or before December 31, 2018 by the Authority in which the State of Illinois is not obligated are excluded from the requirements set forth in the Code; and

WHEREAS, the Act further provides that such Contracts shall be awarded through a competitive process authorized by the Board of the Authority; and

WHEREAS, on August 13, 2013 the Board of the Authority approved a written procurement policy for the procurement of contracts for legal, financial, and other professional and artistic services entered into on or before December 31, 2018 by the Authority in which the State of Illinois is not obligated and the Policy was amended on April 10, 2014 (the “Policy”); and

Past actions consistent with the Code with respect to the definition of “Small Purchase” by the Executive Director are hereby ratified. The Executive Director will report and present changes to the Procurement Policy to the Board of the Authority.

Consistent with sound fiscal stewardship and its business-like funding model, the Authority has recently maintained staffing levels at a historically low level. However, during the time period between the present and when procurement and compliance staff is recruited and hired, the Executive Director is authorized to appeal to and to negotiate with the Procurement Offices in order to maintain certain contractual services essential to fulfill the Authority’s statutory mandate and to avoid unnecessary risk to public assets. The Executive Director will report and present such actions taken with the Procurement Offices to the Board of the Authority.

Section 4. Delegation to the Executive Director. The Authority hereby delegates to the Executive Director of the Authority, in conjunction with the other officers of the Authority, the power to take or cause to be taken any and all actions, and to execute, acknowledge and deliver any and all such letters, appeals, agreements, instruments, certificate and other documents as may be required in connection with this Resolution.
